## **Athletic Handbook**

### **MISSION STATEMENT**

Based on Colossians 1:28, “Bring every man up to his full potential in Jesus Christ.” Salem Lutheran School (SLS) is committed to be an advocate and resource for students and their families through Christian education through the guidance of the Holy Spirit, the students will recognize, appreciate, and utilize their God-given potential and be brought to the saving knowledge of their Lord and Savior.

### **PHILOSOPHY**

Salem Lutheran School’s Interscholastic Athletic Program consists of competitive sports between schools as an after-school extra-curricular event. One of our major goals at Salem is to help students learn to apply Christian principles to their daily lives.

Jesus commands us: “Therefore, go and make disciples of all nations...” Matthew 28:19. As Christians, it is our responsibility to witness for Christ. Therefore, in Christian competition our actions should be a witness for Jesus our Savior, through actions and deeds, both on and off the athletic field. In order to accomplish this, the emphasis must be on team play and consideration for the welfare of others.

Regardless of the level of participation by a child, all programs focus on Christ as a model. As members of the body of Christ, we have the privilege to share His saving grace through our sportsmanship; before, during, and after a competition. Each sport takes special consideration to this point, and it is expressed to all athletes.

Coaches in grades 5-6 will provide equitable playing time for all members who follow our athletic policy. Coaches in grades 7-8 are encouraged to produce the best possible team to participate for those who follow our policy. Depending on the number of athletes for a varsity sport, there could be a tryout. The athlete will be assigned to a team which matches their athletic ability. If there are questions concerning coaches, officials, or players, please consult with the head coach first, then, if needed, please submit in writing to the Athletic Director comments and concerns which you may have.

Salem Lutheran School is a member of the Houston Lutheran Athletic Conference. The schools that make up the league are: Epiphany-Jersey Village, Immanuel, Lutheran South, Memorial, Our Savior, Pilgrim, St. Mark, Trinity-Downtown Houston, Faith-Sugarland, Trinity-Klein-Spring and Salem of Tomball.

## **ELIGIBILITY STANDARDS FOR PARTICIPATING IN EXTRA CURRICULAR ACTIVITIES**

Salem students are encouraged to participate in appropriate extra curricular activities. Salem provides the opportunity for students to promote school spirit and pride by representing the school on one of its athletic teams. Girls in grades five through eight may participate in volleyball, soccer, basketball, softball, Blue Knight track & field, or cheerleading. Boys in grades five through eight may participate in soccer, basketball, baseball, or Blue Knight track & field. Boys in grades 6-8 may also participate in football with the Blue Knights program. Participation in extra curricular activities is entirely voluntary, but student participants must abide by the following eligibility standards as established by the Houston Lutheran Conference.

No student may compete in extracurricular athletics that was fifteen years of age on or before the first day of September of the current school year.

A student must have reached a minimum age of ten years on or before the first day of September of current school year, or officially in the fifth grade, in order to play varsity sports.

In Christian education, there are many opportunities to develop God-given talents and use them to His glory. One of these opportunities is in the area of athletics. However, when a student's involvement in activities and practice sessions interfere with academic progress, extracurricular involvement must be curtailed.

Extra curricular eligibility will be reviewed three times every grading period. A student will be considered ineligible for extra curricular involvement if he/she receives two or more failing grades on a progress report, or one or more failing grades on a nine-week report card. The student will remain ineligible until the next progress report or report card is issued. If the student's grades show improvement by the next progress report or report card, they may again participate on the team. If not, the student will remain ineligible until the next report is issued or until the current season ends. Once a failing grade appears on a report card, that grade must be above 70% on the next progress report. Otherwise that student will remain ineligible even if there is only one failing grade on the progress report. Eligibility is based on all subjects.

Ineligible students are not permitted to attend practice or participate in any games or meetings or attend away games or participate in activities. If a student has for disciplinary reasons received and out of school suspension or has been sent home from school, he or she is not allowed to participate in activities until he or she is back in school for one full day.

Every attempt will be made not to cancel, but the safety and welfare of all will take priority. In the event school is cancelled, all athletic events for that particular evening **will be** cancelled. Children and parents should have a backup plan in place for such occurrences, before the child goes to school.

### **CHAIN OF COMMAND**

As humans we are bound by sin, and therefore we make mistakes. Many times, in frustration or anger, we act inappropriately. It is essential, that as parents and coaches, we model a Christ-like attitude for the children. This means paying extra attention to what is said around the children, and in what manner conversations take place. When dealing with a question or a concern, please keep the following "Chain of Command" in mind, and more importantly what our Savior says in Matthew 18.

- 1) A private discussion between the concerned parties. Anything discussed should be done in a Christ-like manner. Please wait for the following day after a game.
- 2) If an agreement or understanding cannot be reached in your conversation with the head coach, the athletic director is to be consulted as a mediator.
- 3) If the issue is still unable to be resolved, the athletic director will seek advisement from the assistant director. Any decision made at this level is final.

## **CHEERLEADING**

Cheerleading is an extra-curricular activity offered to girls in grades 5-8. the cheerleading program follows the game rules and guidelines as mentioned for all sports, but includes the following information. The varsity squad will consist of 7<sup>th</sup> and 8<sup>th</sup> grade girls. The junior varsity squad consists of a 5<sup>th</sup> grade and a 6<sup>th</sup> grade squad. Varsity cheerleaders are not allowed to play basketball because of the time commitment; unless there are not enough girls to have a basketball team. The time commitment for 5<sup>th</sup> and 6<sup>th</sup> is much less and the boys and girls' games are always back-to-back at the same location. We do allow girls to both cheer and play basketball at the 5-6 grade level only. The girls must commit to cheering for the boys' game immediately following their own game.

## **GENERAL INFORMATION**

Transportation needs to be arranged and verified between coaches, the athletic director, and drivers two (2) days before the event. Students/athletes need to find out in advance if their parents or other relative can help drive to upcoming events. If transportation is not arranged one-day prior, then events for that day will be cancelled with no intention of rescheduling. This rule is presented to eliminate last minute phone calls to parents during the school day. Coaches are not responsible for shuttling players to and from events.

Parents driving privately owned vehicles provide transportation to away games. Parents who provided transportation for players other than their own children must provide the office with a completed Transportation Information Form for the vehicle to be used and proof of a valid driver's license. Additional forms may be obtained in the school office. Please let the coaches know if you can drive to away games. J.V. players will need to leave by 3:40 when they have a 5:30 game, otherwise 2:55 for earlier games. Maps, which indicate the location of the competing schools, are included in this handbook. We also have directions with Map Quest, athletic updates, sports calendar schedules, and medical forms on the Salem Website and Teacher Web.

Players are an important part of the team. Regular attendance at practice is expected. An unexcused absence results in a one game suspension. Individuals who are late for practices will lose playing time. It is the responsibility of the players to notify the athletic director or coach of any absences.

**Excused Absences:** Doctors' appointment; Dentist appointment, family crisis, church-sponsored activity.

**Unexcused absences:** Detention, Hair/Tanning appointment, unavailable ride, birthday parties.

Practice begins immediately after school and ends at 5:00 p.m. please watch for exact ending time in the monthly schedule calendar. Please have players picked up within 10 minutes of the ending practice time. Students are not allowed to use cell phones until 5:00 p.m.

Any student absent from school because of illness will not be allowed to participate in practices or games scheduled for that day. **STUDENTS MUST COMPLETE AT LEAST 4 OF THE 8 CLASS PERIODS TO BE ELIGIBLE FOR ANY SPORT ACTIVITY.**

At no time will soft drinks, candy, juice, etc. be allowed in the gym or on the playing field during practice or during the game. Individuals choosing not to follow this rule during practice and game times will be disciplined as follows:

- 1<sup>st</sup> offense...one game suspension
- 2<sup>nd</sup> offense...two game suspension
- 3<sup>rd</sup> offense...three game suspension

The purpose of this rule is to keep the gyms and fields clean and looking respectable. Goodies after practice are fine as long as they are consumed and disposed of properly.
