8th Grade Novels			
Author	Title	ISBN	Cover
<b>SUMMER READING To be read by August 22. Assignment due: August 31.</b>			
<p><b>Novels for 8th Grade will be assigned prior to first day of school. Students and Parents will be notified, before the first day of school, regarding the novels they will need to purchased for 8th Grade.</b></p>			
<b>Students are required to get a <b>LIBRARY CARD</b> at the Lone Star College library.</b>			

Dear Parents,

Students are required to purchase their own novels for the Middle School Language Arts program at Salem. There are several reasons for this request:

- Students will be able to annotate in their own novels.
- They will enhance their home library by being able to keep the novel after they have read it in class.
- They have the option of downloading the novel onto an iPad, Kindle or other electronic device that can be read in class except for mobile devices.
- Audio versions may also be downloaded through several different websites to help certain students that need this modification.

It is **IMPORTANT** that you purchase the book that is shown so that everyone in the class has the same book to refer to during reading and class discussions. If your child is prone to misplacing things, or they will be in a Special Services setting, you may want to consider purchasing several of the same novels to keep in key places during the study. Please have your novels available for use by the first day of school.

Thanks for your help!
